About the Property

Rare Cape May Single with Charming Details & Prime Location Don't miss this rare opportunity to own a charming Cape May single-family home in an ideal location, just blocks from the beach, Washington Street Mall, restaurants, and downtown Cape May. This inviting 3-bedroom, 1.5-bath home offers character, comfort, and plenty of outdoor space. An addition completed in 2005 expanded the home with a convenient galley-style kitchen that flows into a second kitchen prep area and provides easy access to the spacious backyard. The addition also created an additional bedroom, adding flexibility for family, guests, or a home office. The backyard is designed for enjoying Cape May's beautiful seasons, with a spacious deck featuring cedar construction and BamDeck flooring perfect for outdoor dining ...
