About the Property

Situated on a private 3 plus acre lot, this unique property features a 2 bedroom main residence with flexible extra living space and an impressive standalone accessory building. The main home offers an attached two car garage and a spacious first first living space. An open kitchen connects to a cozy seating area and a distinct dining room with cedar shakes and a cathedral bead board ceiling, opening directly to a private deck and landscaped patio. The main level primary bedroom suite features a walk in closet and a private bath. A second bedroom and full bath are also located on the main level. Up on the second floor is a spacious flex area that serves as fantastic extra living space, perfect for a home gym, executive office, media room, or creative lounge. The detached rear carriage b ...
