About the Property

****NEW PRICE****Welcome to Ocean Club 2**
Unit 1710* One of Atlantic City's most prestigious and recognizable addresses. This exceptional oceanfront building offers direct access to the boardwalk, the sparkling shoreline, and the refreshing ocean breeze. Whether you're taking a morning stroll on the sand or enjoying world-class dining steps away, this location delivers the true essence of coastal living. This spacious 872 sq. ft. model features an open living room, an upgraded kitchen, and fresh paint throughout. The combination of hardwood and tile flooring adds both elegance and easy maintenance. The bedroom offers a lovely ocean view right from the window—your daily reminder that you're living somewhere special. The private balcony, currently under construction and temporarily locked ...
