About the Property

HURRY!! This corner lot ranch home has 3 good-sized bedrooms, 2 full bathrooms, and is located on a quiet street in the desirable Venice Park neighborhood. This master suite is gigantic with a very spacious walk-in closet. The wood stove heats the entire home during the winter season. The property sits on higher ground, and the previous owner didn't have flooding enter the home. The house needs some TLC, but overall, it has been well-maintained and is ready for a new owner to make it their home. If you are looking to buy a good home in a good area with super-low taxes, call NOW to schedule your private tour!
