About the Property

HURRY!! This 4-bedroom, 3 full bath, ranch-style home near Lake Lenape is the best home on the Market! The garage was converted into an in-law suite. So your new home has the luxury of an in-law suite with a complete setup. The property sits on over 1/2 an acre and features a new vinyl fence surrounding the tennis court and upgraded inground pool, enclosed by a massive custom-built deck and two cabanas. These upgrades were completed within the last 2 years. When you decide to have a family gathering, this is the home for you. The property has plenty of space for entertaining, ample parking, and the neighborhood is secluded, desirable, and conveniently located near major shopping stores, expressways, and the parkway. The ceilings were designed with custom-treated wood. You have a stone-face ...
