## About the Property

Welcome to this three-bedroom, three-bathroom house! Come take advantage of this mobile home's comforts and facilities. Enjoy the kitchen that has stainless steel appliances, a farmers sink, and quartz countertops. The Waterfall Kitchen Island gives an extraordinary look to the living room area. There are complete bathrooms with tiled showers in each bedroom. A laundry area with washer and dryer leads to the back of the home. The tankless water heater compartment is located there. There is a sturdy shed in the yard. The deck in the front of the house is exquisitely constructed. Use the charger stand that is mounted on the side of your electric car after parking it in the driveway. The property is sold in AS IS condition.
