About the Property

This truly One-Of-A-Kind oversized property is located in the exclusive East-Side Gardens neighborhood just steps from the ocean. This oceanside oasis boasts almost 7,000 square feet in lot area (6,900 sq ft) with a private driveway and comes with plans and approvals to build a masterpiece home featuring over 4,400 square feet of living space, 5 bedrooms, 5.5 bathrooms, multiple decks with breathtaking ocean views, a private rear courtyard with a spa-like pool and much more. Buyer can also work with the area's premier home builder, Buck Custom Homes to construct a world class ocean-side oasis. www.BuckCustomHomes.com
