About the Property

NOW OFFERED AT $624,900. Unassuming at first glance, this thoughtfully reimagined stone rancher opens to nearly 3000 square feet of finished, flexible living space on almost one acre in a prime Central Avenue / Hammonton Lake location. The home has been extensively enhanced over the past few years, with additional improvements completed more recently, blending refined finishes with substantial behind-the-scenes upgrades. The upgraded kitchen features stainless steel appliances and granite countertops, complemented by hardwood floors throughout, spa-inspired bathrooms, and auto-lit closets that elevate everyday living. The primary suite offers a private retreat with custom closet organizers and a private deck, while a main-level stackable laundry is conveniently located near the bedrooms ...
