About the Property

Welcome to 26 Michigan Avenue. Step into modern luxury with this stunning 4,000 square foot new construction home built by Elcon Custom Builders, where no detail has been overlooked. Wrapped in striking Alaskan cedar siding and roofing, this architectural masterpiece combines natural elegance with contemporary design, creating a home that’s as beautiful as it is functional. From the moment you enter, you're greeted by an open-concept layout bathed in natural light, with soaring ceilings and high-end finishes that make every space feel extraordinary. The heart of the home—a chef’s dream kitchen—features top-of-the-line appliances, custom cabinetry, and an oversized island perfect for entertaining or casual family gatherings. The seamless flow into the spacious living and dining are ...
