About the Property

This is the view you've been waiting for all your life. Located in Ocean City's more quiet "deep" South-end, this 2nd floor duplex-condo offers absolutely breathtaking Ocean Views as far as the eye can see. The interior of this beautifully maintained home was extensively renovated in 2021 with new Kitchen, new baths, new front and rear fiberglass Decks and more. The entire building was elevated in approximately 2006, adding private Garage space plus Storage/Workshop space and Cabana Beach Showers. You're going to love the short walk to the Beach, short drive to fantastic local restaurants like the Deauville Inn, or maybe kayaking from the nearby State Park beach and boat ramp. There's nothing on the market like it. Come start your beach memories in 2026. ...

Features
