About the Property

Nestled in a quiet neighborhood in Millville, this 3-bedroom, 1-bath bungalow offers a wonderful opportunity to create a warm and inviting home with a little TLC. The main level features an eat-in kitchen, comfortable living room, full bathroom, and two bedrooms. Upstairs, a loft provides a third bedroom along with additional storage space. The full basement is partially finished with classic knotty pine and includes a small bar—perfect for a cozy hangout or entertaining space. Outside, enjoy a fully fenced backyard ideal for relaxing, pets, or gardening, along with a convenient storage shed. This home has great potential to become a cozy retreat to unwind after a long day. Property is being sold AS-IS, seller will make no repairs. Buyer responsible for all inspections, certifications, a ...
