About the Property

Enjoy living in this private, four-story townhouse in the community of Chelsea View. This home is fully loaded with a private elevator, ceilings, plenty of parking space with a driveway and attached garage, and an open floor plan living level with a custom kitchen. Your master suite encompasses the fourth floor, with large closets and an oversized master bathroom with a jacuzzi soaking tub! Includes access to the in-ground pool and your own boat slip. And not to mention a great location - just blocks from the beach and close to shops, dining and nightlife!
