About the Property

Soaring cathedral ceilings, an open layout and tons of natural light make this a most desirable home for your seniors looking to move into a 55+ community but don't want to give up space. This is the much sought after "Evergreen" model over 2,000 sf of living space and is one of the few models in Four Seasons that offers 3 real bedrooms. The split bedroom layout is perfect for privacy and guests with two bedrooms at the front of the home and the main suite in the back. Off of the Great Room is a sunroom with glass french doors that offers the option to close it off if desired. The huge kitchen features corian counters, new stainless appliances and tons of cabinets for plenty of storage. Also offers a central vacuum system and the garage overhead door was just replaced. All this and a ...
