About the Property

Conveniently located on the first floor, this beautifully renovated condo offers easy access to the family-friendly pool with sundeck as well as a private adult pool. Enjoy direct beach access to what feels like your own private stretch of shoreline. With no stairs or elevators to navigate, you can walk almost directly into this sun-drenched home, offering plenty of space for friends and family. The newly renovated kitchen features stainless steel LG appliances, a spacious granite countertop, and ample storage for all your beach snacks and beverages. Light and airy throughout, the home showcases durable, easy-to-maintain luxury vinyl flooring and custom wooden blinds on the Pella windows. Generous closets and storage areas provide plenty of room for beach gear and toys. Step out onto the p ...
