About the Property

*** Join us for an Open House on Saturday, February 21, 2026 from 2-4pm to properly welcome this home to the market! ***

Oversized ranch-style homes in sought-after areas of town don't hit the market often! This nearly 2,000 square foot, spacious single-story property offers 4 bedrooms, 2 full bathrooms, and a bonus rear living area featuring a cozy wood-burning fireplace—added years ago for extra space and comfort. While some cosmetic updates like modern flooring and refreshed bathrooms could enhance the home even further, the kitchen is truly a showstopper. It showcases soft-close wood cabinetry, stunning quartz countertops, and a beautifully tiled backsplash. The layout is both practical and inviting, with a central hallway leading to all bedrooms, including a primary suite compl ...

Features
