About the Property

Welcome to your dream home in Ocean City! This stunning custom-built single-family residence offers the perfect blend of luxury and comfort, ideally situated just steps from the beach and boardwalk in the sought-after north end. With five spacious bedrooms and five full bathrooms, this home spans three elegantly designed floors, providing ample space for family and friends. The heart of the house is the chef's kitchen, featuring a 48-inch Wolf stove, a Sub-Zero fridge, and convenient refrigerator drawers at the wet bar—perfect for culinary enthusiasts and entertaining. Beautiful hardwood floors extend throughout, complemented by exquisite trim work and stylish wainscoting that add character to every room. The primary bedroom boasts a charming porch, where you can bask in breathtaking sun ...
