About the Property

Step into the opportunity to own this impressive Colonial-style residence built in 2001, offering approximately 2,493 square feet of living space designed for comfort, flexibility, and modern living. With 4 bedrooms and 2.5 baths, this home delivers the ideal layout for a variety of lifestyles, from growing households to those seeking extra space for a home office, creative studio, guest accommodations, or private retreat. The classic two-story design provides a timeless curb presence and a floor plan that invites your vision. Generously sized living areas create the perfect setting for everyday living, entertaining, and reimagining spaces to suit your personal style. The thoughtful room count allows for both open gathering areas and quiet, private escapes, making it easy to tailor the hom ...
