About the Property

Don't miss out on front row lawn seats to the annual Hammonton Christmas parade as it comes right past your new home, as well as a perfect view of the New Years Eve fireworks show, and the Mount Carmel Festival Fireworks show from your front yard. The Galen is a stunning, luxury new construction home featuring 2,340 square feet of living space with 4 bedrooms, 2.5 baths and a 2-car garage. This Galen Floorplan is popular for a reason! Off the entry foyer is a flex room, this space can be used as a dining room, home office or play area! This living space flows nicely into the dining area and then kitchen, which highlights a large, modern island with plenty of counter space, quartz countertops, stainless steel appliances & large walk-in pantry. Upstairs, experience the roomy owner's suit ...
