About the Property

Lovely condo in a quiet, desirable North End neighborhood. This second-floor unit features 2 bedrooms and 1 full bath, complete with a convenient stackable washer and dryer. The spacious living area includes a versatile seating nook—perfect for a reading corner, home office, or additional lounge space. The eat-in kitchen with a breakfast bar adds both style and functionality. Just outside the kitchen is a small bump-out deck for the exclusive use of this unit—perfect for a grill. The property also features a shared patio area, offering additional outdoor space to relax and unwind. The common area includes a bike rack, patio table and chairs, and an assigned outdoor storage box for each unit. After a day at the beach, enjoy the convenient enclosed outdoor shower. The condo is offered fu ...
