About the Property

Your coastal dream home starts here! A four story single family home, perfectly positioned across from the bay in the highly desirable A-Zone. With large, spacious rooms and an open, airy layout crafted for comfort, connection and relaxation, this home is truly family-friendly and ideal for year-round living or luxurious summer getaways. Only five years old and better than new with beautiful custom window treatments throughout, custom closet organization systems, a security system and added custom cabinetry. This home boasts five bedrooms, five bathrooms, a convenient second-floor laundry room and a four-floor elevator for added convenience. The gourmet kitchen has stainless appliances, tons of cabinetry, an oversized island with seating and quartz countertops. The primary suite is a sanc ...
