About the Property

Welcome to 2503A Oberon Avenue, a beautifully updated coastal residence offering bay views, spectacular summer sunsets, and an exceptional Longport location just two short blocks from the beach. This inviting home features 3 bedrooms and 2.5 baths, with a thoughtfully redesigned interior that blends comfort and style. The entire first floor has been fully remodeled, highlighted by a stunning kitchen with a center island and granite countertops. The living area is warm and welcoming, featuring a gas-burning fireplace with a custom mantle and ceramic stone surround, perfect for year-round enjoyment. A custom white railing accents the elegant semi-circular staircase, which is complemented by new carpeting on the stairs. Throughout the home, you will find new luxury vinyl flooring, all-new bat ...
