About the Property

Welcome to 131 Jones Kane Rd! This spacious rancher was recently renovated and improved from the ground up in 2025. This home is essentially brand new, featuring a new shell, roof, siding, windows, doors, electrical system, and plumbing, all completed with proper permits and approvals. As you enter through the covered front porch with Trex decking and step inside, you will not the beautiful hardwood floors and recessed lighting throughout with a bright and airy open layout. The living room leads to the dining area and kitchen complete with subway tile backsplash, shaker cabinets, gorgeous countertops, electric stove, overhead microwave, dishwasher and deep stainless steel sink with upgraded commercial faucet/wand. Sliding glass door leads to the large rear deck overlooking the private and ...
