About the Property

Best-in-Class Renovated Home with Premium Upgrades Located in Tower East, just behind Fusion Church. This exceptional home stands out with quality construction, thoughtful upgrades, and true pride of ownership, all set in a smaller community with easy access to shopping and everyday conveniences. Built on a solid foundation with 2x6 floor joists and 2x4 exterior walls (16" on center), this Schultz-built home was considered premium in its day. It also offers dry, usable storage beneath with easily removable skirting and main water lines already tapped. The exterior features eye-catching stone and brickwork, complemented by established perennials ready to bloom. Two outdoor concrete pads provide added space for relaxing or entertaining. A bright 9.5 x 25 enclosed porch offers even more f ...
