About the Property

Extraordinary and extremely rare equestrian estate new to the market. Horse farm properties of this caliber are incredibly scarce across the entire state of New Jersey, making this an opportunity you simply cannot miss. Set perfectly on seven sprawling acres with four of those acres beautifully cleared and manicured, this property offers the ultimate in tranquil privacy and a beautifully warm, inviting lifestyle. The long winding driveway can easily accommodate parking for many cars, leading right up to a massive three car attached garage to house all your vehicles and equipment. The grounds are an absolute paradise for horse lovers and equipped for all your equestrian needs. The property features a dedicated horse barn complete with three stalls, full water and electric service, and a co ...
