About the Property

6217 Monmouth Avenue This 3-bedroom, 1.5-bath townhouse in Ventnor delivers 1,593 sq ft of solid bones and smart layout, positioned close to the beach where coastal demand stays strong year-round. Whether you are an investor looking to fix & flip or hold, or you are looking for yourself to have a shore getaway, this is the kind of opportunity that checks the right boxes: desirable location, workable floor plan, and a footprint that appeals to both buyers and renters once renovated. Inside, you'll find three generous bedrooms that give future owners flexibility for family use, home offices, or guest space. The layout flows ideally across 1,593 sq ft, offering room to modernize finishes, open up key living areas, and add the touches that drive resale value. With one and a half baths, there's ...
