About the Property

Stunning Malibu model "RIGHT SMACK ON THE LAKE"!! This floorplan grabs you from the moment you enter with Luxury and Class. Dramatic soaring vaulted ceilings, strategically designed window placement (ALL QUALITY ANDERSENS!!) and a casually elegant flow all guide you to the Water...and its pristine EZ goin' influence on your lifestyle! Naturally...it's fashionably fortified with a 2-way fireplace, stylish remodeled kitchen, Full Finished Basement, 2-car garage and multi-level Waterfront deck w/Awning, all adding to the value and investment. The recent roof, newer high-efficiency gas ht/central air, and Generac Generator lend confidence for trouble-free living for years to come. Don't miss this really special home, location and upgraded/updated conditioned property!!! (First floor 4th bedroo ...
