## About the Property

Welcome to this beautifully restored 3-bedroom, 2.5-bath Victorian home, thoughtfully rebuilt with exceptional care and attention to detail. Completely renovated just six years ago, this stunning property features new interior framing, updated electrical and plumbing systems, a high-efficiency HVAC system, energy-efficient vinyl windows, new siding, and a durable dimensional roof—offering both charm and modern peace of mind. The entire home has also been freshly painted throughout. A curved gravel driveway provides a warm welcome along with ample parking. Inside, the oversized kitchen is a true centerpiece, showcasing tall cabinetry, quartz countertops, stainless steel appliances, and space for bar seating—perfect for casual dining or entertaining. The first floor also boasts a bright, ...
