About the Property

Welcome to this stunning custom-built home nestled on a private, oversized lot in one of Galloway Township's most desirable residential neighbourhoods. Offering approximately 3,300+ square feet of living space, this impressive property blends space, comfort, and privacy—perfect for today's lifestyle. Built in the early 2000s, the home combines modern construction with a quiet, suburban setting ideal for comfortable living. Inside, you'll find large living spaces with an open, practical design for daily living, entertaining, and hosting are found inside, together with lots of natural light and a smooth, useful flow. Large gathering areas, five spacious bedrooms, two and a half bathrooms, and plenty of storage space are some of the highlights of the house. Two fireplaces, situated on ...
