About the Property

This designer decorated home is spectacular & spacious! A renovated 3 bedrooms & 2.5 baths ranch with such stylish bells and whistles located in a lovely Linwood neighborhood! Walking distance to the MRA! The stunning newer kitchen features quartz countertops including a waterfall peninsula, quartz backsplash, 6 burner stove top, wall oven & microwave, soft close cabinets & drawers, built-in fridge, and more. Bathrooms have been completely transformed and have granite counters, floating vanities, framed glass shower enclosures. All new luxury vinyl plank flooring (insulated & waterproof.) This one feels like a new luxury home! Tankless hot water heater, new siding, new garage door, new front door & rear slider, most of the windows have been replaced, older section of the roof is new, repl ...
