About the Property

Newer construction (2019) 4-bedroom, 2.5-bath home features an open, well-balanced layout suited for both everyday living and entertaining. The main level includes a spacious family room with gas fireplace, a separate living area, and a well-appointed kitchen with quartz countertops, center island, and ample cabinetry. Upstairs, you'll find four generously sized bedrooms, including a primary suite with a private en suite bath designed for comfort and separation. A blend of tile, wood, and carpeted flooring adds both style and practicality throughout the home. Exterior highlights include low-maintenance vinyl siding, front balconies, an outdoor shower, and a custom backyard playhouse. The 1.5-car garage offers additional storage and convenience. Being sold fully furnished and ideally l ...
