About the Property

Amazing location - nestled on a wooded corner lot on a quiet cul-de-sac, this timeless 2 story country home is just what you've been looking for. Close to everything but surprisingly very private. You'll love being able to walk to the many wooded trails located just across the street from the protected Green Acres, a 300+ acre wooded area. So there's nothing but woods directly across the street. But let's talk about the home itself. You'll love the wrap around covered front porch. Enter into the center hall foyer where the formal living room w/ stone fireplace and formal dining room is on one side and the cozy, inviting family room with 2nd woodburning stone fireplace is on the other side. Follow the foyer to the back of the house into the eat-in kitchen with two pantry closets and ...
