About the Property

Experience the ultimate coastal lifestyle in this renovated "south-side" and southern side of Ventnor duplex offering an escape just steps from the sand! This gem has such a unique layout perfect for an investment or multi-generational family. Brand-new mini-splits A/C and heating system (Feb 2026), Insta-Hot water heater system (Nov 2025) and 2022 renovations including kitchens, bathrooms and flooring, laundry areas, with cleverly innovated storage spaces. With two distinct units; the first floor includes open concept coastal cozy living two bedrooms with a finished lower level with a 3rd bedroom and a full bath, classic front porch, spacious backyard, and a newer outdoor shower. The second floor features 2 bedrooms with a private deck and a peek at the ocean, live in one and rent one ...
