About the Property

Set within a sought after location, 303 School House Dr. offers the opportunity to reimagine a spacious residence with enduring potential. Encompassing over 2,600 square feet, this 3 bedroom, 2.5 bath home features a traditional two-story layout complemented by recent exterior enhancements, including a newer roof, siding, and gutters. The home's interior serves as a blank canvas, inviting your vision to elevate its design. Generous living spaces provide the framework for a thoughtful transformation. Offering an expansive living/dining area featuring a built in bar and fireplace, formal living room and a huge kitchen complete with coffee nook and pantry. On the first floor you will also find a powder room, laundry room and a bonus room! Head up the stairs to the second floor and find ...
