About the Property

Space, versatility, and a location that puts everything within reach. This 4-bedroom, 2 full bath ranch in Willingboro's Millbrook section is built for the way people actually live. With 1,684 sq ft of one-level living and a smart layout that includes two separate living areas, there is genuine room to grow, host, or set up a private suite for extended family. The converted dining room connected to an adjacent bedroom creates a flexible setup perfect for an in-law area, home office wing, or guest suite. Fully updated in 2024 with a complete kitchen remodel, new luxury vinyl flooring throughout, recessed lighting, and two fully remodeled bathrooms. Natural light pours through the home, the backyard offers real outdoor space, and you are close to major shopping, dining, and commuter routes. ...
