About the Property

START SMART... AND SEE THE POSSIBILITIES UNFOLD! Opportunity, affordability, and a super convenient location all combine to make this a SHORE BET! Over 1600 square ft with split BR plan giving the primary suite its own sense of space complete w/ a private bath, tub, separate shower stall & plenty of cabinetry for storage. Sun drenched front living rm and spacious country kitchen—offering abundant prep space, a breakfast bar for casual dining and a lg dining area for your more formal meals. BONUS: This model also has an family room which could serve as a potential 4th bedroom, or private suite with the addition of French doors. The 2 additional guest rooms and updated bath are between the living room and fam rm, making this an optimal set-up. Separate laundry center leads to the semi ...
