About the Property

Welcome to this private estate! Here's a rare opportunity to own a stately, custom built three story home nestled on 20 serene, wooded acres. Offering the perfect balance of elegance, privacy and comfort, this exceptional property invites you to experience peaceful living at its finest. From the moment you turn into the winding private drive, the setting unfolds into a convenient but picturesque circular driveway flanked by amazing flowering shrubs and trees with additional guest parking offset to the side. This is a home that immediately sets the tone of tranquility and distinction. You are welcomed into this special home at first glance as you enter by the charming covered front porch. Inside you'll find warm yellow pine flooring flowing seamlessly throughout, complemented by an a ...
