About the Property

Welcome to this inviting home in Absecon, perfectly positioned to enjoy peaceful views overlooking the scenic and meandering Absecon Creek. Step inside to a spacious, open-concept living area featuring beautiful hardwood floors, warm wood-paneled walls, and abundant natural light throughout. The layout offers multiple living and entertaining spaces, highlighted by a cozy wood-burning stove-perfect for relaxing evenings at home. A vaulted ceiling and charming architectural details add character and a sense of openness to the main living space. The home is cooled by a large split in the living room area and ceiling fans thruout most rooms The home flows seamlessly into additional sitting areas and the kitchen, perfect for the gourmet cook that creates a functional and flexible layout ideal f ...
