About the Property

This charming single family home is located in Ocean City's exclusive east-side Garden's neighborhood. Positioned on a large 69' x 100' corner lot, this rare Gardens property has much to offer. As you approach the home you will immediately note the over-sized lot and welcoming wrap around front porch and much more. The freshly appointed interior offers rich wide-plank oak hardwood floors throughout, custom wainscoting and trim, a gourmet kitchen with stainless steel appliances and quartz countertops. This rare floor plan offers over 2,400 sq feet of living space with 4 bedrooms and 3 bathrooms and limited interior stairs for the primary suite. The rear yard offers a tranquil space surrounded by gardens for privacy and a sprawling patio perfect for entertaining friends, family and guests. ...
