About the Property

Updated Split-Level with finished basement, Hardwood flooring and large backyard. Beautifully updated split-level home offering space, style and everyday convience. Featuring 3 bedrooms and 1.5 baths, this home was thoughtfully updated in 2018 with a modern kitchen, newer roof, and updated heating system- giving you peace of mind from day one. Tile and hardwood floors add character throughout. The full finished basement offers a large family room with a electric fireplace. The space is perfect for movie nights, includes half bath. Providing flexibilty for a home office or guests. Step outside to a huge private backyard perfect for entertaining, relaxing, or creating your own outdoor oasis, Ideally located just minutes from grocery stores, restaurants, Stockton University and area hospital. ...
