About the Property

Some homes are simply built differently. 1202 Shore Road is one of them. Set privately along the prestigious Atlantic City Country Club, this magnificent 1903 estate offers something genuinely rare in South Jersey — a resort lifestyle, historic grandeur, and effortless luxury, all in one address. Sunrise views greet you each morning. A newly renovated wraparound front porch invites you to slow down and stay. Step inside and the craftsmanship speaks immediately — ornate ceilings, graceful arches, and historic millwork that simply cannot be replicated, paired seamlessly with GE Café appliances, granite countertops, and a designer backsplash that would satisfy any discerning chef. This is not a house. This is a retreat. Five generous bedrooms. Three beautifully appointed baths. 3,114 squ ...
