About the Property

This stately Bridgeton home, built in 1925, has been thoughtfully updated over the past 20 years. Park in the circular driveway and notice that this home is perfect for all of your gatherings with plenty of parking and entertaining space both inside and out. Step into the oversized foyer and take note of the beautiful staircase to the upper levels. Turn right into the Formal Dining Room with hardwood flooring and room enough for all of your formal dinners. The butler's pantry with wine bar separates the dining room from the kitchen, which has been expanded and renovated! The kitchen features cherry cabinets, granite counters, a center island with sink, and plenty of cabinet space! You have room to cook and visit at the same time! As you proceed through the first floor you will find an offi ...
