About the Property

Fabulous New Construction just steps from the beach. 4404 Asbury Avenue, First Floor is a beautifully designed 4-bedroom, 3-bath condominium offering 12' ceilings in the 20' X 28' living area, plus the convenience of two private en-suite bedrooms. The primary suite opens to an approximately 200 sq. ft. enclosed rear screened porch, offering a private retreat ideal for relaxing after a day on the beach. Ideally positioned on a 40 x 100 lot just four homes from the ocean, this property blends thoughtful design, quality construction, and an unbeatable location. Built with 6-inch exterior walls, R-30 insulation, and energy-efficient HVAC, the home is designed for comfort, quiet, and year-round enjoyment. The layout features a 7' X 14' ground-level foyer, attached garage, generous 14' x 20' st ...
