About the Property

Introducing 300 Rhodes Ave, a 3-bedroom, 1-bath home in Egg Harbor Township situated on a desirable corner lot. This property offers a functional layout, added outdoor space, and strong potential for customization. The interior includes wall-to-wall carpeting with hardwood flooring beneath, providing an opportunity for future updates. The home's layout is efficient, offering a seamless connection between living areas and comfortable bedroom accommodations. Enhancing the home's appeal are several key improvements, including a roof and HVAC system approximately 4 years old, along with a tankless hot water heater—offering a blend of reliability, efficiency, and long-term value. Solar system at $96.97/month. Resulting in no electric bill from Atlantic City Electric The corner lot enhance ...
