About the Property

Some streets just feel different — quieter, friendlier, the kind where neighbors still wave hello. Meyner Lane is one of them, and 221 is the home you've been waiting for. This well-loved 4-bedroom Cape Cod sits on a generous 75x150 lot with a tree-lined, multi-car paved driveway and room for the whole crew — family, friends, and weekend toys included. Inside, four spacious bedrooms give you the flexibility to create whatever your life calls for right now: a home office, a guest suite, a game room, or all three. One of the home's standout features is the exciting potential to convert the upstairs closet into a second full bathroom — a smart, value-adding upgrade that future owners will love. Out back is where this home truly shines. A large fenced-in yard delivers privacy and room ...
