About the Property

Your summer getaway is almost here! This charming 3-bedroom, 2-bath bungalow-style home with a fenced yard and private deck is being thoughtfully upgraded with modern finishes and quality craftsmanship throughout. The beautifully redesigned interior will feature a brand-new kitchen with custom cabinetry, elegant tile flooring, and hardwood floors throughout the main living areas. Both bathrooms are being fully renovated with marble flooring, custom trim work, and stylish barn-style vanities for a sophisticated touch. Additional improvements include a new HVAC system and air conditioning condenser, upgraded electrical service and meter, new windows, and premium European-style exterior doors. Expected completion date is June 30th — giving the lucky new owner the perfect opportunity to enjo ...
