About the Property

Premier Listing - When you discover the WOW factor, you realize you have found the home you desire to live in. This house certainly meets expectations! It has recently undergone upgrades. Fresh paint has been applied to both the interior and exterior, and a newly coated driveway will provide a clean, refreshed finish by Saturday. The landscaping has been professionally revitalized to enhance curb appeal, and brand-new garage doors equipped with automatic openers have been installed. Additionally, new carpeting has been laid in all bedrooms, a brand-new water heater has been added, and a complete package of new appliances, including Whirlpool laundry machines, is included. A brand new Ecobee smart thermostat has been installed for improved energy efficiency and comfort. Custom wainscoting i ...
