About the Property

Charming and renovated, this 1900's farmhouse features a great location in the heart of Northfield and is truly move in ready. Renovated to the studs in 2020, it is in excellent condition and features a new kitchen and bathrooms with beautiful tiling. The basement is huge and has a full laundry room plus plenty of other useful space with both an outside and inside entrance. The yard is fully fenced with an electronic door for your convenience plus a shed, fig tree, two peach trees, and a plum tree. There are expansive, multi-level decks in the rear and a wraparound covered front porch; an outdoor oasis! The bedrooms are large and feature large walk-in closets. Tankless gas hot water system, radiant heat, central air on upper floor, and mini-splits on the main floor are featured. Thi ...
