$18,000

About the Property

Experience one of the best summer rentals on the island and make this shore home truly your own. Offered vacant and ready for your personal touch, you have the flexibility to bring your own furnishings or rent on your own a complete furniture package for the season — creating the perfect summer retreat tailored to your style. Priced right and easy to show, this spacious home was designed with entertaining and family gatherings in mind. Step into the grand foyer and immediately appreciate the oversized rooms, soaring ceilings, and beautiful hardwood floors throughout. The open-concept kitchen features a breakfast bar and additional space for casual dining, making it ideal for summer living. Sliding glass doors lead to a large paver patio, perfect for outdoor dining, relaxing, and entertai ...
