About the Property

Welcome to 74 Walnut Road, an incredible opportunity in a neighborhood that truly has it all, The Riviera. This charming 3-bedroom property has been meticulously maintained and stylishly updated for vacation living, with a backyard renovation designed for fun and entertainment. The brand-new heated pool is perfectly positioned to enjoy brilliant sunshine throughout the day, while a retractable awning over the deck provides refreshing shade when you need it, making this the ultimate entertainer's retreat. The thoughtfully designed layout places the kitchen directly overlooking the pool, so you can keep an eye on the kids swimming while prepping meals or dining together. The home also features two living and family rooms, one with doors that close for added privacy, giving everyone their own ...
