About the Property

Tucked away from the road like a well-kept secret, 410 S. 4th Ave. in Galloway offers the kind of quiet that feels like a deep exhale at the end of a long day. This spacious six-bedroom, three-bath home offers the perfect blend of comfort, technology, and room to grow. Featuring a convenient first-floor in-law suite with its own private bathroom, this property is ideal for multi-generational living or hosting guests. Every room in the home is equipped with an Ethernet connection, making it perfect for remote work, gaming, or seamless smart-home connectivity. The inviting family room includes built-in surround sound speakers in the ceiling, creating a true entertainment experience right at home. Situated on over an acre of land, the property also boasts an above-ground pool and a side yard ...
